#### Independent Auditor's Report

The Board of Directors Hampton Roads Educational Telecommunications Association, Inc. Norfolk, Virginia

We have audited the accompanying financial statements of Hampton Roads Educational Telecommunications Association, Inc. (WHRO), which comprise the statement of financial position as of June 30, 2017, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Opinion

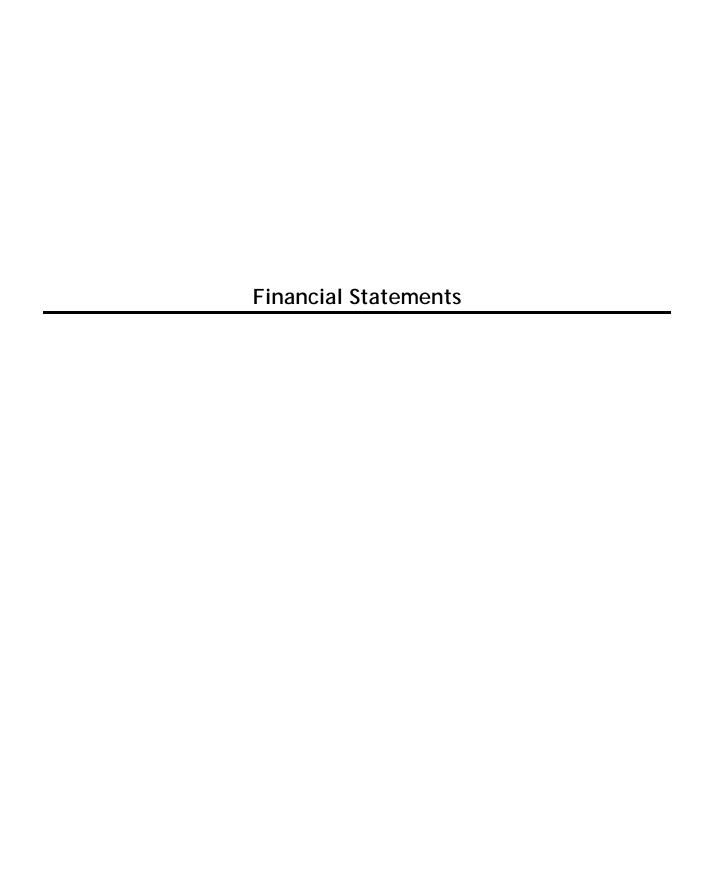

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Hampton Roads Educational Telecommunications Association, Inc., as of June 30, 2017, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### Other Matter

The 2016 financial statements of Hampton Roads Educational Telecommunications Association, Inc. were audited by McPhillips, Roberts and Deans, PLC ("MRD"), whose members and professional staff joined BDO USA, LLP as of November 1, 2016, shortly after which MRD ceased operations. MRD's report dated September 12, 2016 expressed an unmodified opinion on those statements.

#### **Notes To Financial Statements**

#### 1. Nature Of Organization

The Hampton Roads Educational Telecommunications Association, Inc. (WHRO) is a diverse regional public media non-profit organization serving more than 2.2 million citizens in southeastern Virginia and northeastern North Carolina. WHRO promotes education, culture and citizenship through a variety of media services. WHRO provides inspiring and educational television programs through its public television stations, and it provides music, news and public affairs programming through its radio stations, live streams on the WHRO website, and through the WHRO media app. Founded more than 50 years ago to support classroom education, WHRO employs creativity and technology to serve its mission of enriching audiences with content that educates, entertains and engages. WHRO also delivers educational content in the form of digital learning objects to students and educators throughout Virginia through its online learning distribution platform eMediaVA. WHRO also offers professional development resources for teachers through online courses and hands-on workshops.

WHRO is licensed by the Federal Communications Commission to operate a non-commercial public television station - WHRO 15 Digital (including WHRO HD, WHRO Kids, WHRO World, and WHRO Create); two non-commercial public radio stations - WHRO 90.3 FM and its associated digital channels (WHRO Digital and the 1920's Radio Network) and WHRV 89.5 FM and its associated digital channels (WHRV Digital and AltRadio); Educational Broadband Services (EBS) and satellite transmission facilities and the WHRO Radio Reading Service, "The Voice," for the visually impaired. WHRO added additional transmitters in 2011 to extend and improve its radio broadcast footprint and provide public radio services in underserved areas. Transmitter call signs (repeated signal), frequency and station of license are as follows: 88.1 WHRL (WHRV) Emporia, WHRG (WHRV), 88.5, Gloucester Point; WHRJ (WHRO), 89.9, Gloucester Courthouse; WHRE (WHRV), 91.9, Eastville; WHRX (WHRV), 90.1 Nassawaddox, 98.3 WHRF (WHRO) Belle Haven. The WHRO website features live audio streams for WHRO, WHRV, The Voice, AltRadio, and the 1920's Radio Network. Studios, satellite, technical control, teleconference facilities, and offices are housed in Norfolk, Virginia; WHRO operates a satellite office and studio in Williamsburg, Virginia. Major transmission facilities are located in Suffolk, Virginia, with additional FM radio transmission facilities in Southeastern Virginia and multipoint microwave relay towers are dispersed throughout Virginia.

#### 2. Summary Of Significant Accounting Policies

#### Basis of Presentation

WHRO is required to report information regarding its financial position and related activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. Donor-restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. Support that is restricted by the donor is, however, reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is recognized. When a temporary restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities as either "Net assets released from restrictions for operations" or "Net assets released from restrictions for capital".

#### **Notes To Financial Statements**

#### **Estimates**

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could differ from those estimates.

#### Cash and Cash Equivalents

For purposes of the statements of financial position and cash flows, cash and cash equivalents are defined as all highly liquid debt instruments purchased with an original maturity of three months or less, other than those maintained as a part of investment portfolios.

#### Accounts and Underwriting Receivables

Management considers the need for an allowance for uncollectible accounts based on its review of receivables and historical collection experience. WHRO writes off receivables as a charge to the allowance, when in their estimation, it is probable the receivable is worthless. Accounts and underwriting receivables are considered past due if payments are not received by the due date stated on the billing statement. Past due accounts are not charged a monthly finance charge. WHRO has recorded an allowance for uncollectible accounts receivable of \$42,450 at June 30, 2017. Management considered all underwriting receivables to be collectible at June 30, 2017 and, accordingly, had not provided an allowance for uncollectible accounts at that date. Management considered all accounts to be collectible at June 30, 2016 and, accordingly, had not provided an allowance for uncollectible accounts at that date.

#### Pledges Receivable

Pledges receivable represent unconditional promises to give and are recorded at net realizable value. Promises to give to be received after one year are discounted at an appropriate discount rate commensurate with the risks involved. An allowance for uncollectible pledges receivable is provided based upon management's judgment. WHRO writes off receivables as a charge to the allowance when in their estimation it is probable the receivable is worthless. Conditional promises to give are not included as support until the conditions are substantially met.

#### Property and Equipment

Property and equipment, including those acquired using capital leases, are recorded at cost. Asset purchases of \$1,000 or more are capitalized, while maintenance and repairs that do not improve or extend the useful lives of the respective assets are expensed. Depreciation is calculated using the straight-line method based on the following useful lives:

Asset Category	Useful Life_
Buildings and improvements	5-35 years
Furnishings and equipment	3-40 years

Depreciation expense, which includes amortization of capital leases, for the years ended June 30, 2017 and 2016 is \$1,212,530 and \$1,199,400, respectively.

#### **Notes To Financial Statements**

#### Inventory

Inventory consists of fundraising gifts of appreciation and is valued at the lower of cost or market using the first-in, first-out method.

#### Investments

WHRO's investments are carried at their fair values in the statements of financial position. Changes in fair value are included in the change in net assets in the accompanying statements of activities.

#### **Underwriting Revenue**

WHRO receives sponsorships from entities to underwrite the cost of some of its programs and productions. In such instances, WHRO treats underwriting revenue as an exchange transaction and recognizes the revenue when earned.

#### Deferred Revenue

Deferred revenue results from amounts received in advance for fees or production of programs that will not occur until the following fiscal year. Accordingly, this revenue is deferred and then recognized in the subsequent year when it is actually earned.

#### Advertising

Advertising costs are charged to operations when incurred and totaled \$92,614 and \$65,798 for the years ended June 30, 2017 and 2016, respectively.

#### Functional Allocation of Expenses

The cost of providing the various program and supporting services has been summarized on a functional basis in the statements of activities. Accordingly, certain costs have been allocated among program services, management and general, and fundraising and development.

#### Income Taxes

WHRO is an organization described in Section 501(c)(3) of the Internal Revenue Code and is exempt from federal and state income taxes. Exempt organizations are subject to tax on income from regularly conducted trade or business activities that are not substantially related to the organization's exempt purpose. WHRO has net operating loss carryforwards of approximately \$2,045,000 and \$1,575,000 related to its unrelated business income at June 30, 2017 and 2016, respectively, that will begin to expire in 2029. Deferred tax assets were \$776,407 and \$596,934 at June 30, 2017 and 2016, respectively. Valuation allowances are established when necessary to reduce deferred tax assets to the amount expected to be realized. Management has recorded a valuation allowance of \$776,407 and \$596,934 at June 30, 2017 and 2016, respectively. The increase in the valuation allowance was \$179,473 and \$141,414 for the years ended June 30, 2017 and 2016, respectively. Returns are generally subject to examinations for three years from the date filed. This period of limitations has expired for returns filed for tax years 2013 and earlier. Management continually evaluates tax positions reflected in WHRO's tax filings and does not believe that any material uncertain tax positions exist.

#### **Notes To Financial Statements**

#### **Volunteers**

A substantial number of unpaid volunteers have made significant contributions of their time and talent to further the mission of WHRO. The value of these contributed services is not reported in these financial statements since it is not susceptible to objective measurement or valuation, and because the criteria for recognition of such volunteer efforts have not been satisfied.

#### Subsequent Events

Management has evaluated subsequent events through October 30, 2017, the date which the financial statements were available to be issued.

#### 3. Related Party Transactions

WHRO owns 50% of The 1920s Radio Network, LLC (1920s), a Virginia limited liability company, whose purpose is to operate the 1920s Radio Network. There was no carrying value of WHRO's investment, accounted for using the equity method, at June 30, 2017 and 2016, respectively. In addition, WHRO has a non-interest bearing unsecured term note with 1920s totaling \$15,000 and \$30,000 at June 30, 2017 and 2016, respectively, with installments of \$15,000 annually. This notes matures in June 2018.

#### 4. Pledges Receivable

Pledges receivable consist of the following:

June 30,	2017	2016
Amounts due within one year Amounts due in more than one year but less than five years Amounts due in more than five years	\$ 2,231,297 1,289,154 6,900	\$ 1,394,646 781,174 8,500

Total Pledges Receivable, net	\$ 3,462,182	\$ 2,113,027

#### **Notes To Financial Statements**

Pledges receivable are principally from donors in the Hampton Roads area. The concentration of credit risk is mitigated by the large number of donors. WHRO does not request collateral in relation to these pledges receivable.

#### 5. Charitable Lead Trust Split-Interest Agreement

WHRO is the income beneficiary of a charitable lead annuity trust which is held with an unrelated third party. Under the terms of the split-interest agreement, WHRO is to receive 4% of the fair market value of the trust annually for its general scientific and educational use until the donor's death. At the time of the donor's death, the trust is to terminate, and the remaining trust assets are to be distributed to others. The receivable for the split-interest agreement is carried at fair value, which WHRO has estimated based on the present value of its expected future cash inflows. The fair value at June 30, 2017 and 2016 is \$1,034,329 and \$1,031,392, respectively. WHRO received \$77,280 and \$82,240 from the trust in 2017 and 2016, respectively, which was recorded as a reduction in the receivable and a corresponding reclassification from temporarily restricted to unrestricted net assets. On an annual basis, WHRO revalues the split-interest agreement receivable based on applicable mortality tables and current market conditions. WHRO recorded an increase (decrease) in the value of the split-interest agreement of \$80,217 and (\$22,509) for the years ended June 30, 2017 and 2016, respectively.

#### 6. Tower Rights

Intangible assets with finite lives are amortized over their estimated useful lives. During the year ended June 30, 2000, WHRO entered into an agreement to sell one of its existing broadcasting towers and the related right to construct a new digital tower and to lease the land related to the towers under a thirty-five year ground lease. In consideration for the sale and the first ten years of the ground lease, WHRO received \$1,750,000 in cash, the right to use the existing tower for analog broadcasting (until the analog signal is phased out) and the right to broadcast its signal from the new tower for thirty-five years.

Tower rights are as follows:

June 30,	20	017	2016

Amortization expense for each of the years ended June 30, 2017 and 2016 was \$47,081. Future estimated amortization expense is as follows:

#### 8. Fair Value Of Financial Instruments

WHRO has certain assets that are valued using a fair value hierarchy. The three levels of fair value hierarchy for recurring fair value measurements are prioritized based on the inputs to valuation techniques used to measure fair value and are as follows:

- Level 1 quoted prices in active markets for identical assets.
- Level 2 observable inputs that include quoted market prices for similar assets; quoted market prices that are not in an active market; or other inputs that are observable and can be corroborated by observable market data for substantially the full term of the assets.
- Level 3 unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets. Level 3 assets include financial instruments whose value is determined using pricing models, discounted cash flow methodologies or similar techniques, as well as instruments for which the determination of fair value requires significant management judgment or estimation.

The following tables present WHRO's assets that are measured at fair value on a recurring basis for each hierarchy level at:

#### 10. Line of Credit

WHRO has a \$5,500,000 line of credit with UBS Bank USA and had a balance of \$3,418,889 and \$3,220,768 outstanding on the line at June 30, 2017 and 2016, respectively. Advances on the credit line are payable on demand, with interest at a variable rate equal to the 30 day London Inter-Bank Offered Rate (LIBOR), plus 1.75%, which was 2.97% and 2.22% at June 30, 2017 and 2016, respectively. The credit line is collateralized by all WHRO investment accounts held by UBS and can be terminated at any time.

#### 11. Capital Leases Payable

WHRO has acquired \$553,548 and \$297,411 at June 30, 2017 and 2016, respectively, of computer and copier equipment using capital leases with terms from three to five years and an imputed interest rate from 2.90% to 5.71%.

Future minimum lease payments are as follows:

#### 12. Board Designated Net Assets

Board designated net assets include quasi-endowment funds which consists of unrestricted income which the board has designated for program and supporting services use. These quasi-endowment funds follow the spending policy of WHRO endowments as discussed in Note 14. Since all board designated net assets result from an internal designation, they are not considered temporarily restricted, but are classified and reported as unrestricted net assets.

Board designated net assets are available for the following purposes:

June 30,	2017	2016
Undesignated Arts Education	\$ 7,847,936 1,041,808 663,033	\$ 7,534,663 1,005,515 532,582

Net assets were released from donor restrictions during the years ended June 30, 2017 and 2016 by incurring expenses satisfying the purposes or time restrictions specified by donors as follows:

Years ended June 30,	2017	2016
Education Programming Vehicles and related expenses	\$ 543,573 215,622 3,709	\$ 737,416 149,345 29,676
Total net assets released from restrictions	\$ 762,904	\$ 916,437

#### 14. Endowments

WHRO's endowment consists primarily of funds designated by its Board of Directors as well as donor-restricted endowment funds and are classified and reported based on the existence or absence of donor-imposed restrictions. WHRO's policy is to designate all unrestricted bequests to their board endowment.

#### Governing Board's Interpretation of Law

The Board of Directors has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. WHRO classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable

#### **Notes To Financial Statements**

donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by WHRO. In accordance with UPMIFA, WHRO considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- (1) The duration and preservation of the fund;
- (2) The purpose of WHRO and the donor-restricted endowment fund;
- (3) General economic conditions;
- (4) The possible effect of inflation and deflation;
- (5) The expected total return from income and appreciation of investments:
- (6) Other resources of WHRO;
- (7) The investment policies of WHRO.

#### Investment Return Objectives and Risk Parameters

WHRO has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Endowment assets include those assets of donor-restricted funds that WHRO must hold in perpetuity or for a donor-specified period as well as board-designated funds. To satisfy its long-term rate-of-return objectives, WHRO relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). WHRO targets a diversified asset allocation that places a greater emphasis on fixed income and equity investments to achieve its long-term objective within prudent risk constraints. Under this policy, as approved by the Board of Directors, the endowment assets are invested in a manner that is intended to produce a real return, net of inflation and investment management costs. WHRO expects its endowment funds, over time, to provide an average rate of return of approximately 5 percent annually. Actual returns in any given year may vary from this amount.

#### Spending Policy

WHRO's policy on their donor-restricted endowment funds and two board endowment funds is to appropriate for distribution 3% of a trailing twelve-quarter moving average of the fair value of the endowment pool for the period ending on the previous December 31. WHRO's policy on their board endowment funds is to appropriate for expenditure \$155,000 annually. In establishing these policies, WHRO considered the long-term expected return on its endowment. Accordingly, over the long term, WHRO expects the current spending policy to allow its endowment to grow at an average of the long-term rate of inflation. This is consistent with WHRO's objective to maintain the purchasing power of the endowment assets held in perpetuity or for a specified term as well as to provide additional real growth through new gifts and investment return.

#### 15. Rental Income

WHRO has entered into multiple agreements with various third party vendors of telecommunications services in Eastern Virginia with lease terms expiring at various dates through 2056, some of which provide for an escalation clause at various times throughout the agreement. WHRO allows the use of existing towers that are part of the Instructional Television Fixed Services (ITFS) system. When towers are on property owned and controlled by school divisions, WHRO shares in the rents received. During the years ended June 30, 2017 and 2016, WHRO recognized \$659,162 and \$708,912, respectively, of rental income related to these agreements. These amounts are shown net of the shared rents of \$67,976 and \$70,151 for the years ended June 30, 2017 and 2016, respectively.

WHRO has a channels lease agreement with an initial term of ten years which expired in August 2016. The lease agreement provides for four automatic renewals of five years each for a total thirty year term as defined in the agreement. The current renewal term expires August 2021. During the years ended June 30, 2017 and 2016, WHRO recognized \$1,020,626 and \$1,003,636 of lease income related to this agreement, respectively.

Minimum future annual rentals to be received under current arrangements, exclusive of any renewal options or escalation clauses, and for the next five years and thereafter are summarized as follows:

#### 16. Operating Leases

WHRO leases office space and office equipment using noncancellable operating leases with terms greater than one year, and expiring at various dates through May 2020. Expense includes \$53,576 for both years ended June 30, 2017 and 2016, attributable to these operating leases. Minimum future annual rent commitments under these agreements are as follows:

Year ending June 30,	
2018	\$ 53,576
2019	53,576
2020	48,813
	\$ 155,965

#### **Notes To Financial Statements**

#### 17. Employee Benefit Plans

WHRO maintains a §403(b) retirement plan (the Plan) covering non-leased employees, not covered by a collective bargaining agreement, and temporary part time employees who have accumulated 1,000 hours in a Plan year. Employees may contribute to the Plan subject to the limitations imposed by the Internal Revenue Service. WHRO makes a discretionary contribution for each eligible employee's compensation to the Plan. Employer contributions for the years ended June 30, 2017 and 2016 totaled \$163,395 and \$106,285, respectively.

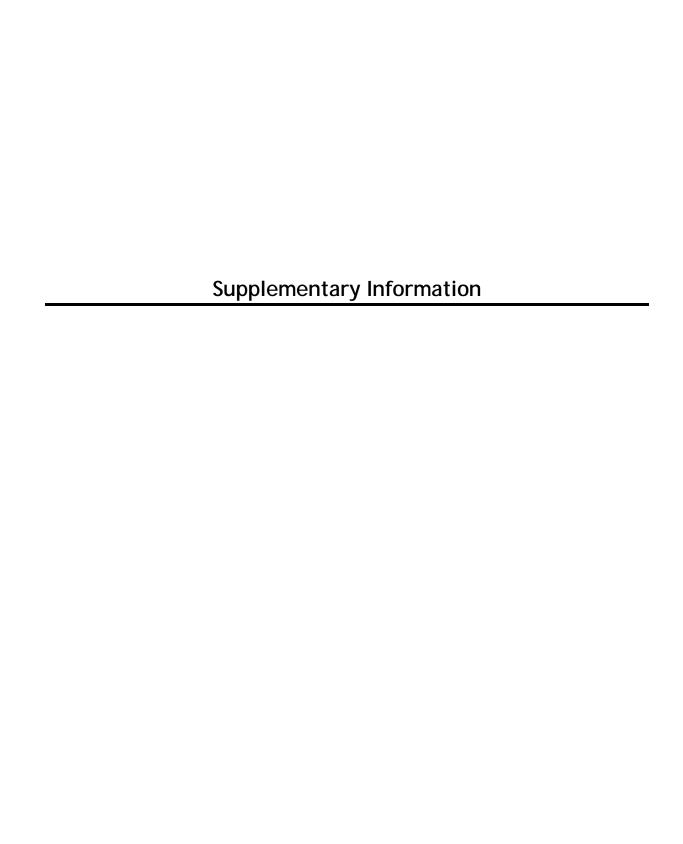

#### 18. Concentrations of Credit Risk

At various times during the years presented, WHRO may have had on deposit with a single financial institution more than \$250,000, which is the basic limit currently insured by the Federal Deposit Insurance Corporation (FDIC).

WHRO receives a substantial amount of its support from the Corporation for Public Broadcasting which serves as the steward of the federal government's investment in public broadcasting. A significant reduction in the level of this support, if this were to occur, may have a significant effect on WHRO's programs and activities.

#### 19. Reclassifications

Certain amounts in the 2016 financial statements have been reclassified to conform with the current year financial statement presentation. These reclassifications had no effect on financial position or operating results as previously reported.

# Independent Auditor's Report On Supplementary Information

The Board of Directors Hampton Roads Educational Telecommunications Association, Inc. Norfolk, Virginia

Our audit of the 2017 financial statements included in the preceding section of this report was conducted for the purpose of forming an opinion on those statements as a whole. The supplementary information presented in the following section is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The 2017 information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the 2017 information is fairly stated in all material respects in relation to the financial statements as a whole.

The 2016 supplementary information was subjected to the auditing procedures applied in the 2016 audit of the basic financial statements by McPhillips, Roberts & Deans, PLC, whose report dated September 12, 2016 stated that it was fairly stated in all material respects in relation to the 2016 financial statements as a whole.
